Remarks :

Step aboard this meticulously maintained Jeanneau 755 Marlin, equipped with a powerful SUZUKI 200 hp outboard engine. This vessel boasts the two-door version, featuring a convenient rear wheelhouse seating bench and two side doors for easy access. The deck ensures safe passage with sidewalks on both sides, complemented by the Jeanneau Premiere Pack and an extensive list of options (see inventory below). Imagine the thrill of a true adventurer as you navigate the waters with this "SUV" of the seas. Inspired by Scandinavian design and crafted for all-weather conditions, the Merry Fisher 755 Marlin is the perfect companion for Scottish coastal adventures. For those seeking a unique and distinctive boating experience, the Merry Fisher 755 Marlin stands out with its strong personality and embodies the latest trends in navigation and style. Don't miss out on this exceptional vessel—contact us today to arrange a viewing!

Accommodation :

The comfortable wheelhouse with its 2 side doors, the interior saloon that can seat five around a table and the galley equipment are many of the comfortable elements of a family space. The two berths easily allow occasional use of the cabin.

For family use, on-board comfort is put first by means of several quite distinct areas:

The wheelhouse: the helm position with its driver's and co-driver's seats and side exits is remarkably comfortable and ergonomic.

Designed to take five persons (saloon + swivelling seats), with a folding table, a complete galley and numerous stowage spaces, the saloon allows use for the day or the week in real interior comfort. The two berths complete this comfortable layout.

Outside, movement around the boat, very safe for children, is served by two specific areas:

Aft cockpit: a real relaxation area, the aft cockpit gives a saloon for 4 persons. Fully adaptable, this cockpit saloon is also removable to match all possible sailing profiles.

Forward cockpit: fitted with a wide bench seat and two facing each other, the forward saloon is above all a quiet separate and well-protected living space, which in particular commands excellent forward visibility.

Inventory :

Interior equipment:

2 bolster seats

Drop down table

Water system

42 litres fridge
